

UNIQUE TO YOU

LAND ACKNOWLEDGEMENT

Concordia University of Edmonton (CUE) is located on the North Saskatchewan River Valley — a travelling route, trading center, ceremonial gathering place, and meeting ground for Indigenous peoples from across Turtle Island. We are honoured to be situated in the traditional territory of the **Treaty 6 Nations including the Cree, Dene, Nakota Sioux, Blackfoot, and Saulteaux peoples as well as the homeland of the Métis nation of Alberta (Region IV)**. CUE continues to learn from and respect the diverse histories, languages, and cultures of Indigenous peoples of Canada, whose presence continues to enrich our vibrant community.

YOU ARE UNIQUE

We can sit in the back.
But at CUE, someone
will always invite
us to the front.

Canada's
pre-eminent **small**
university.

Our ultimate goal since
1921: To **create a**
community of active
citizens, of good and
honourable people.

CUE is a **boutique**
university, small enough
that every student is
essential yet large enough
for a global outlook.

The metro area of
Edmonton had a population
of **1,491,000 at the**
beginning of 2021,
making it Alberta's
second-largest city.

As the largest urban park in
Canada, with more than **160**
kilometres of maintained
pathways and 20 major
parks, the River Valley
is a natural wonder for all
Edmontonians to be proud of.

Edmonton is a summer and
winter playground with **70**
golf courses nearby,
3 ski hills within the city
limits, and regular views of
the **Northern Lights**.

With over **50 festivals**
annually in Edmonton,
there's something
for everyone.

CUE population
~3300 students

We have **three centres** linking
our research work with
the external innovation
ecosystem: Our BMO Centre for
Innovation and Applied Research,
Centre for Applied Artificial
Intelligence, and McNeil Centre
for Applied Renewable Energy.

CUE is committed to fostering
a **diverse, equitable, and**
inclusive environment
for work, study, and living. We
actively promote dignity for all,
rejecting action and language that
are harmful to mutual respect.

CONCORDIA CENTENNIAL

A Century of Promise: In 2021, CUE celebrates one hundred years as an institution. From our beginnings as a small gathering of scholars in Edmonton, we have grown into a diverse community of students, faculty, alumni, and staff who are dedicated to having a positive impact inside and outside of our borders. As we mark this important milestone, we reaffirm our commitment to creating independent thinkers, ethical leaders, and citizens for the common good, and look forward to beginning our next century as Canada's pre-eminent small university.

WELCOME TO CUE

We are Canada's pre-eminent small university, with world-class research facilities, and faculty who are leaders in their fields.

This is a special academic year for us as we celebrate our 100th anniversary. From very humble beginnings in a downtown Edmonton hotel in 1921, our university has grown in size and reputation to become a leader in Canadian higher education.

I invite you to discover the many programs, services, and opportunities that CUE has to offer.

Over the past 18 months COVID-19 has had an impact on everyone, and at CUE we too changed and adapted in order to protect the health and safety of our community. As we move back to primarily in-person learning and flexible course delivery for fall 2021, we remain committed to the highest standards of education, maximizing potential, and offering you a first-class, student-focused experience that you will remember long after you graduate.

Outside of your studies you will find a small, tight-knit student community, nationally acclaimed sports teams, superb theatre and music events, and all kinds of activities in which you can get involved.

As for me, throughout your time with us, you'll find me around campus chatting with students, cheering alongside you at a Thunder event, attending drama and music performances, and taking in the beauty of our campus. So, when you see me, feel free to come and say hello and introduce yourself.

I very much look forward to meeting you,

Tim Loreman
President & Vice-Chancellor

Doctor of Psychology (PsyD) degree in Clinical Psychology

WHAT IS THE DIFFERENCE BETWEEN A THREE-YEAR AND A FOUR-YEAR DEGREE?

A three-year degree with a concentration is a recognized credential in Canada. While not aimed at providing students with direct access to graduate level studies, it will prepare you for after degree programs such as our Bachelor of Education and Bachelor of Environmental Health as well as entry-level jobs looking for a university education.

The four-year degree provides students with a comprehensive, flexible education that allows them to develop, understand, and communicate knowledge, to think critically, and to build on these abilities. In addition, the four-year degree fully prepares students for most graduate programs.

Major – The specific area of study you choose to focus on in your 4-year degree.

Minor – A secondary subject that complements your major or concentration.

Concentration – A specific area of emphasis within your 3-year degree.

WHERE GREAT IDEAS CHANGE THE WORLD.

Encounter powerful ideas about the human experience and prepare yourself for a great career. A Bachelor of Arts degree helps develop the necessary skills for work in many sectors including technology, marketing, and business operations. Immerse yourself in the best and brightest concepts in the humanities, fine arts, and social sciences.

INTERESTED IN A CAREER...

... AS A PROBATION OFFICER?

Our Sociology program helps you identify the relationship between society and culture, with courses such as: Youth, Crime and Society, Criminology, Personality Disorders in Modern Life, and Canadian Ethnic and Minority Relations.

... AS A MENTAL HEALTH WORKER?

You will gain invaluable insight into the human condition through our Psychology program. Be prepared for a career as a psychologist with courses like Sociology of Aging, Communication and Counselling Skills, Introduction to Music Therapy, Criminology and Introduction to Group Counselling.

... AS A MUSICIAN?

Master a range of instruments and develop vocal proficiency in our music program, where you will be enrolled in private studio instruction and participate in one of Concordia's performing ensembles. Includes classes such as Arranging, Composition, Introduction to Music Theory, Introduction to Conducting. Consider adding our Church Music or Vocal Pedagogy and Performance Certificates to your degree!

INTERNATIONAL EXCHANGE DEGREES EARN AN INTERNATIONAL DEGREE

CHINA

This exceptional four-year program allows students to complete the first year of their **Bachelor of Management degree** at CUE before heading to China for two years to study at the International Business School of Beijing Foreign Studies University (BFSU). After returning to Edmonton to finish the program, students receive two degrees: a Bachelor of Management from CUE and a Bachelor of Economics or Bachelor of Management from BFSU.

FRANCE

This unique three-year program allows students to begin a **Bachelor of Arts degree in French** at CUE, and then complete the final year at Université de Bretagne Sud in Lorient, France. Students earn two degrees upon completion: Bachelor of Arts in French and Licence Lettres Modernes (the French equivalent).

DEPARTMENT OF PUBLIC HEALTH

PUBLICHEALTH@CONCORDIA.AB.CA • CONCORDIA.AB.CA/PUBLIC-HEALTH

CONNECT HEALTH TO YOUR WORLD.

If this program seems unique, that's because it is. It is **one of only six programs in Canada** that can train you to be an **Environment Health (EH) Officer** or **Public Health Inspector**.

Environmental health is the practice of protecting public health by applying relevant provincial legislation and providing support to mitigate the physical, chemical, and biological risks found in natural and man-made environments. Environmental Health Officers work in diverse settings across the public, private, and not-for-profit sectors, including in educational institutions and research organizations, educational institutions and as consultants. Students in the program who choose to take a 12-week field placement practicum can take the Canadian Institute of Public Health Inspectors (CIPHI) certification exam to be able to practice as a **Public Health Inspector** in Canada.

15- MONTH BACHELOR OF ENVIRONMENTAL HEALTH AFTER DEGREE

ADMISSION REQUIREMENTS

A three- or four-year baccalaureate degree from a recognized university or college.

An admission grade point average (AGPA) of at least 2.3 (on CUE's 4-point scale) or equivalent on the most recently attempted 30 credits. (Normally, courses completed in the spring and summer session immediately preceding the term of entry are not calculated in the AGPA. All grades used in calculating the AGPA are adjusted according to CUE's grade conversion scale.)

Successful completion of:

- 3 credits in chemistry and
- 3 credits in statistics

It is recommended that applicants present:

- 3 credits in microbiology and
- 3 credits in human anatomy or
- 3 credits in human or mammalian physiology

For graduation, students must present these credits.

A statement of career objectives.

Demonstrated fulfilment of CUE's English Language Requirement.

Note: To register in ENVH561 (Field Experience in Public Health Inspection) students will need to submit an immunization record and a security clearance.

FACULTY OF EDUCATION

What's so great about this program is how in-depth we were prepared... I was completely ready the first day I walked into a classroom.

EDUCATING HEARTS AND MINDS.

Recognized by Alberta Education and the Alberta Teachers' Association, our two-year elementary education program gives you the opportunity to gain the necessary competencies for certification as a teacher in Alberta. In our After Degree program, you are mentored by faculty, staff, and accomplished teachers in the field. You will also benefit from field experiences and will learn about program planning, instructional strategies, classroom management, and comprehensive school health.

Our program offers unique initiatives to help you in your transition to employment as a teacher, as well as supporting volunteer time in the classroom following the completion of the degree.

BRIDGES BURSARY PROGRAM

This program is offered to new graduates of the Bachelor of Education After Degree program to fund volunteer time in the classroom following completion of their studies. This creates a transition experience for new-to-the-profession teachers and helps them make connections within the field.

For students taking their first degree, the Faculty of Education offers the following minors: Early Childhood Education, Education, and Physical Education and Sport Studies.

INTERESTED IN A CAREER...

... AS A YOUTH CARE WORKER?

Our Early Childhood Education minor focuses on children from birth through age eight and their families, and graduates can expect a rewarding career working with children in education and development with courses in Movement Activities of Children Aged 5-12, Psychology of Exceptional Children and Youth, Music Education for Young Children, Sociology of Youth.

... AS AN ATHLETICS DIRECTOR?

Be an expert on health and wellness with our Physical Education and Sports Studies minor, with courses such as Cooperative Games in Physical Education, Leisure, Sport and Society, Outdoor Education, Introduction to Sports Management, and Developmental Psychology.

2-YEAR BACHELOR OF EDUCATION - ELEMENTARY GENERALIST

ADMISSION REQUIREMENTS

ATHLETICS & RECREATION

WINNERS OF 12 CCAA NATIONAL CHAMPIONSHIPS

CUE's athletic teams compete in the highly competitive Alberta Colleges Athletics Conference (ACAC). We have a proud history of excellence at the highest levels, both provincially and nationally.

Campus Recreation aims to provide the CUE campus community with opportunities to be active. As a department, we wish to provide our students, faculty, and staff with the education and resources to be active for life. Campus Recreation provides opportunities to engage in physical activity on a regular basis, offering intramurals, weekly yoga classes, and various fitness classes, including Zumba, HIIT, and pound fitness.

CAMPUS RECREATION

The Thunder Department of Athletics & Recreation is committed to providing their students, faculty and staff with a safe and enjoyable place to be physically active. The Fitness Centre is open Monday through Friday and is free for current students to use (requires swipe access with CUE Student ID).

ADMISSIONS TIMELINE

* International student deadlines may differ. Dates subject to change
Visit our online academic schedule for official dates and deadlines

Student health plan opt out dates:
Fall term - September 20, Winter term - January 20

IT STARTS WITH CONCORDIA UNIVERSITY OF EDMONTON.

FOLLOW THESE STEPS TO START YOUR FUTURE WITH US.

- 1 EXPLORE**
Explore CUE! There are so many options to find out more about our campus, programs, student life, and more. Attend our Open House or Info Night, take a tour of campus, or become a Student for a Day. You'll love what you discover.
CONCORDIA.AB.CA/FUTURE-STUDENTS
- 2 CHOOSE**
Select your program at CONCORDIA.AB.CA/PROGRAMS
Check program admission requirements and application deadlines at CONCORDIA.AB.CA/ADMISSION
Still have questions? Ask away, anytime, anywhere, at CONCORDIA.AB.CA/QUESTIONS
- 3 APPLY**
Apply for admission: CONCORDIA.AB.CA/APPLY
Apply for Scholarships, there is more than \$200,000,000 available. Check out CONCORDIA.AB.CA/SCHOLARSHIPS
Apply for residence: CONCORDIA.AB.CA/RESIDENCE
- 4 SEND**
Send in your transcripts and any other required documents. If you completed your high school courses in Alberta, we'll get your transcripts as part of the application process through ApplyAlberta. If you completed your education outside of Alberta or Canada, you'll need to request that transcripts be sent.
- 5 CONNECT**
Stay connected to CUE's Admission Advisors and respond if they contact you by email or phone with further questions or instructions.
ADMITS@CONCORDIA.AB.CA
- 6 CONFIRM**
If you receive an offer of admission, accept your offer by paying your deposit and returning your acceptance forms.
- 7 REGISTER**
Once you confirm your offer you can register for classes! Learn how and when to register in courses, including tips for class registration and how-to videos, at: CONCORDIA.AB.CA/COURSE-REGISTRATION

Only one of Mathematics 30-1 or Mathematics 30-2 may be used for admission.

GROUP D (OTHER)

Excludes Special Projects 30
Excludes all Registered Apprenticeship Programs
All applicable Grade 12 Group D subjects must be at the "3000" level
Only Advanced Level Career and Technology (CTS) courses will be considered.

Any credit combination of applicable Grade 12 Group D subjects will be used to make up the required 5 credits

Additional courses may be considered. For more information, contact Admissions.

Grade 12 courses listed are based on the Alberta Education curriculum and nomenclature.

Applicants should keep in mind that their chosen program may contain courses for which there are specific Grade 12 prerequisites that must be met in addition to the subjects used for admission.

In order to maximize future program and course choices, applicants are encouraged to present a broad range of subjects across Groups A, B and C.

Check the Academic Calendar for full admission details.

ADMISSION IS COMPETITIVE – MEETING THE MINIMUM REQUIREMENTS DOES NOT GUARANTEE ADMISSION.

JUMP START

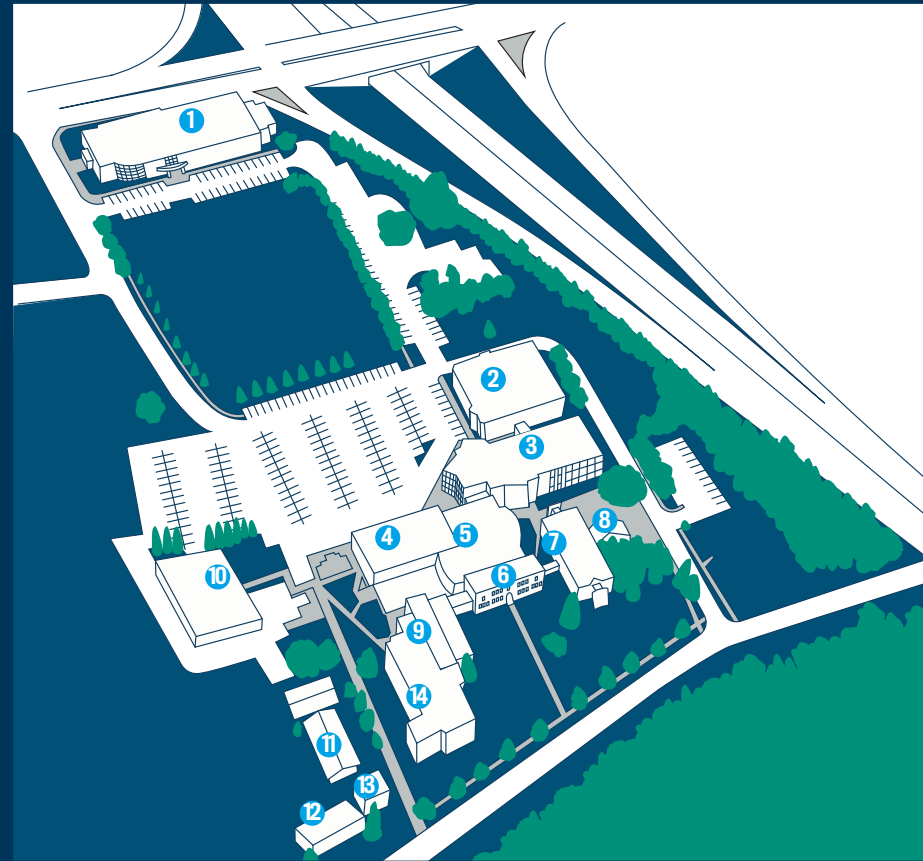

Jump Start allows students in Grade 11 to apply to CUE with their Grade 11 grades. Students interested in applying early may do so from January 1 - June 15 of their Grade 11 year. Arts and Science applicants must show an overall average of 65% in their Grade 11 courses and Management and Dual Degrees applicants must show an overall average of 72%. Final admission is dependent on students completing their relevant Grade 12 courses and achieving minimum entrance averages for the program they have applied.

ACCEPTANCE OF AP/IB COURSES

We recognize students who complete their Advanced Placement and International Baccalaureate courses and exams. Students who receive a grade of 4 or 5 on the AP exams and 5 or higher on IB exams may be assessed for transfer credits towards courses at CUE. Refer to the current academic calendar for a full listing of eligible AP and IB courses.

Visit our online academic calendar for details.

CONCORDIA COMMITMENT

WE GUARANTEE you'll start your career within six months of graduation—or we'll give you a year of undergraduate classes free of charge.

It's called **THE CONCORDIA COMMITMENT**. And there's no program like it in Alberta. How can we be so confident in the value of your education at CUE? It starts with staying small. Our size is your advantage. Your education will be yours alone—personalized to your passions.
